# **WELCOME MESSAGE**

**Based in the bustling hub of Sharjah, Trademore International stands as a leading entity specializing in the global trade of premium agricultural produce. Our stronghold lies in exporting top-quality crops while fostering robust connections with partners and clients worldwide.**

**With a strategic focus on sourcing and delivering the finest agricultural commodities, we ensure steadfast reliability and unparalleled satisfaction. Our team remains dedicated to meeting the dynamic demands of the global market while upholding the values of integrity, excellence, and operational efficiency. At Trademore International, collaboration forms the bedrock of our endeavors. We eagerly invite you to join us on a journey where we leverage our expertise to explore and harness the vast potential of agricultural trade, nurturing enduring partnerships and achieving mutual success together.**

# ABOUT COMPANY

**Based in the vibrant United Arab Emirates, Trademore International stands as a distinguished entity specializing in the global export of diverse agricultural commodities. Our strategic location serves as a nexus for our operations, enabling us to cater to a wide array of international markets.**

**At Trademore International, our core strength lies in fostering robust relationships with leading agricultural producers worldwide. These alliances have been instrumental in establishing us as a trusted and reliable supplier renowned for our seamless production, processing, and distribution network of agricultural commodities. Our unwavering commitment to excellence permeates every aspect of our operations, ensuring a supply chain characterized by reliability and uncompromising quality. As we continue our journey, our dedicated focus remains on delivering exceptional agricultural products while nurturing enduring partnerships across the globe.**

# COMPANY VISION

**Our vision is to provide accurate, stress-free services to all clients.**

# COMPANY MISSION

**Deliver goods as per Commitment to maintain an enduring relationship with our clients.**

# WHAT WE DO

**Trademore International is a company specialized in exporting of sesame seeds, peanuts, Gum Arabic, chickpeas, pigeon peas, watermelon seeds and Coffee beans from various origins to the global market. The company is driven by their commitment to provide a comprehensive end-to-end supply chain solution from the farm gate to the end consumer**

# OUR PRODUCT

## Arabic Gume

Gum Arabic is the dried gummy exudation of high molecular polysaccharides obtained from the stems and branches of *Acacia senegal*. L. Willdenow. Gum Arabic has no taste or odor, is naturally secreted from the *Acacia Senegal* tree frequently found in Africa and specially in the Sudan.

## PEANUTS

Peanut is one of the most important crops in the world, scientifically known as Earthnuts and also go by a variety of names, such as Groundnuts and Goobers.

## WHITE SESAME SPECIFICATION

Product Name	Product Description	Intended Use	Ingredients	Origin	Regulation
Whitish Sesame Seeds	Whitish Sesame Seeds – grading by mechanical process in controlled hygiene production environment.	Raw material intended for the manufacture of products - Human Consumption.	100% Whitish Sesame Seeds, no additives	Sudan	Sudanese Standardization & Metrology Organization

Characteristics	Specification
Whitish seeds	99% min
Other color seeds	2% max
Oil content	48% Min
Admixtures & Impurities	2% max
Moisture	5 % max
FFA	1%max
Packing	New P.P Bags each contain 50kg net Weight.
Shipping Mark	Sesame seeds weight of 50kg.

# BROWN SESAME(RED)

**Brown sesame seeds are known for its high oil content. In this variety, the outer color of the seeds varies from golden to brown, as it contains 26 % or more of colored seeds.**

## BROWN SESAME SPECIFICATION

Product Name	Product Description	Intended Use	Ingredients	Origin	Regulation
Reddish Sesame Seeds	Reddish Sesame Seeds - grading by mechanical process in controlled hygiene production environment.	Raw material intended for the manufacture of products - Human Consumption.	100% Reddish Sesame Seeds, no additives	Sudan	Sudanese Standardization & Metrology Organization

Characteristics	Specification
Reddish seeds	99% min
Other color seeds	0.5% max
Oil content	50% Min
Admixtures	0.5% max
FFA	2%max
Packing	New P.P Bags each contain 50kg net Weight.
Shipping Mark	Sesame seeds weight of 50kg.

# PEANUTS

Peanut is one of the most important crops in the world, scientifically known as Earthnuts and also go by a variety of names, such as Groundnuts and Goobers.

## PEANUTS SPECIFICATION

Product Name	Product Description	Intended Use	Species	Type	Ingredients	Origin	Regulation
Peanuts (kernels)	Red skin kernels - grading by mechanical processes in controlled hygiene production environment.	Raw material intended for the manufacture of products - Human Consumption.	Arachis hypogaea	Spanish (NAGAWA)	Peanut kernels, no additives	Sudan	Sudanese Standardization & Metrology Organization

Charcteristics	Specification
Color	Red to brown skin
Taste	Peanut, free from abnormal flavors
Odor	Peanut, free from abnormal flavors and odor
Count Per Ounce (CPO)	80/90 pcs
Broken and Split Kernels	3% max
Foreign bodies	Free from foreign bodies
Kernels without Skin	3 % max
Discolored kernels	2%
Moisture	6% max
Oil content	48% min
Protein content	25-27g
FFA	1 % max
Total Aflatoxins	20 ppb max
Packaging	Polypropylene Bags (PP bags)
Net weight	50 kg PP bags (or as per customers' request)
Labeling	Name of crop, Season of production, Country of origin, Code number, Net weight, Name of exporting company.
Allergy	Yes, peanuts
Gluten	Free of gluten
Genetically Modified Organisms	Negative

# TALHA GUM

Gum Arabic is the dried gummy exudation of high molecular polysaccharides obtained from the stems and branches of *Acacia senegal*. L. Willdenow.

## TALHA GUM SPECIFICATION

Charcteristics	Specification
Brand Name	Talha
Place of Origin	Sudan
Model Number	AMC/G-126
Specific Rotation	(oc)D 25c (-45) to (-60)
Moisture	15% max
PROTEIN	0.7-1.0%
NITROGEN	0.106 - 0.156%
Total Ash	4% max
Acid Insoluble Residue	0.35% max
COLIFORM	Negative
Identification	Positive
Starch or Dextrin	Negative
SAMONELLA	Negative
Arsenic	3g/kg
Bullets	10g/kg
Heavy metal	40g/kg
Grade	Cleaned
Style	Dried
Form	Solid
Packaging	According to customer's requireme

# HASHAB GUM

Gum Arabic is the dried gummy exudation of high molecular polysaccharides obtained from the stems and branches of *Acacia senegal*. L. Willdenow.

## HASHAB GUM SPECIFICATION

Charcteristics	Specification
Brand Name	Hashab
Place of Origin	Sudan
Model Number	AMC/G-123
Color of 20% solution	Lt. Amber
Viscosity of 20% solution	70~110 cp
Specific Rotation	(oc)D 25c (-45) to (-60)
Moisture	15% max
PROTEIN	0.7-1.0%
NITROGEN	0.106 - 0.156%
Total Ash	4% max
Acid Insoluble Residue	0.35% max
COLIFORM	Negative
Identification	Positive
Starch or Dextrin	Negative
SAMONELLA	Negative
bullets	10g/kg
Heavy metal	10g/kg
Grade	Cleaned
Style	Dried
Form	Solid
Packaging	According to customer's requirements

# OLIBANUM GUM

Gum Arabic is the dried gummy exudation of high molecular polysaccharides obtained from the stems and branches of *Acacia senegal*. L. Willdenow.

## OLIBANUM GUM SPECIFICATION

GRADE	Particle size
NAGAWA	10 mm
GRADE 1	10 mm-5 mm
GRADE 2	5 mm-2.5 mm
SOKSOKANIA	2.5 mm
